# Welcome Cruise Passengers

## Going on a cruise? About to take a cruise? Just got off a cruise? Would love to take a cruise?

You're in luck. San Pedro and the Port of Los Angeles happen to be two of the best things about cruising to or from the West Coast.

There is plenty to see and do in the area and it's a great place to stay if you want to be convenient to all of Southern California and its attractions. So we hope you've planned on a few extra days before or after your cruise. (And if you're traveling to join a cruise, you will

want to consider arriving a day or more early; it just makes good sense—you don't have to worry about travel delays and you can begin your voyage rested.)

**For those driving in**, the local hotels offer economical park and cruise packages that allow you to leave your car at the hotel for the duration of your cruise and stay a night or more before and/or after your cruise.
